

Warm Morning[®]

Standard Radiant

COAL HEATERS

WARM MORNING's lower priced radiant models are made of heavy steel and cast iron. Cast iron parts and steel bases are finished in black baked enamel. Steel bodies are finished in black Derusto[®] paint that tolerates high temperatures and resists rust.

All models equipped with 6" Barometric Draft Control and Flue Pipe Adapter.

All Models Have Patented 4-Flue
Firebrick construction!
